

Mountain Premier Invitational Kiko Sale

“Nomination Form”

Nominations are by invitation only. Each invited consignor may nominate up to five does - unless otherwise indicated. Each consignor may nominate one lot of Semen Straws and one lot of Embryos. This Nomination Form must be received by January 21st. We anticipate approximately 60 does and 1-3 bucks (maximum) in the sale. Fees are not due until the consignment form is submitted by February 21st. For complete fee details, please consult the Sales Rules.

Bucks: The bucks will be selected from the nominated buck pool by the sale organizers. When you nominate a buck with the “Nomination Form” at the nomination deadline date of January 21st, please provide details about the buck including pedigree at that time. (Registration/pedigree details are not necessary for does with the nomination or consignment form submission due to using an online, interactive catalog but must be completed in the online catalog by the deadline for catalog data entry.) The buck consignment fee will be due by the consignment and fee deadline of February 21st, only if he is selected for the sale. As this is a competitive selection process, no substitutes for bucks can be accepted later.
